

## Is It Ethical? 101 Scenarios in Everyday Social Work Practice

This book provides students and professional social workers with 101 different everyday scenarios and challenges them to think about what the ethical and unethical choices might be in each situation. Through examining these scenarios on their own and discussing them with classmates and others, they will become more familiar with the ethical guidelines and standards that they are or will be required to follow as professional social workers. Resources are listed, including Code of Ethics Web addresses for nine different social work associations, as well as ethics journals.
