17 Healthy Diet Recipes - Easy Slow Cooker Pork Recipes for your Diet: I am a busy mom. I love cooking. My daughter got married 8 years ago with a small family and now she is back to work. She has been asking me for some secrets of the kind of delicious food she used to eat at home. She doesn't want to eat out too often because she wants her children to eat well. So she remembers some of the great nutritious meals she used to eat at home in the family. She has asked me to put together some Crockpot recipes for her to use so that she can prepare them overnight and then come home with a ready meal. I am very particular that my children eat well nutritiously so I've chosen my favorite diet slow cooker recipes and put them in a series of Slow Cooker Cookbooks for her. These recipes are filled with wonderful smell when you open the cover. And the best thing is that when you come home from a busy day of work, the dinner is ready for your family at the table. I have put the recipes into an easy to navigate book with clickable chapters. You'll be able to keep your reading device right by your side while you whip up these irresistible recipes in the kitchen for yourself, guests, family, or big gatherings. Here are my favorite recipes: 1. Super Delicious Bolognese 2. Low Carb Carnitas 3. Creamy Mushroom Pork Chops 4. Pork Paprikash 5. Low Carb Cochinita Pibil Taco 6. Pork with Cabbage and Apple 7.
