AMAZON BEST SELLER!

Special Jubilee Collection of Jane Romseys four Traditional British Recipe Books. Great value. Includes: Traditional British Cake Recipes. You don't need to be British to enjoy the delicious traditional cakes found in this collection of 20 recipes. Traditional British Cake Recipes are fun, simple baking recipes. Most British cakes are easy to bake. There are a variety of home baking recipes for every taste and occasion. From the simplest sponge cake to the more exotic traditional British Christmas cake you will find great cake recipes in this book. Traditional British Pudding Recipes with 22 yummy puds. Experience a culinary tour of Britain with these 22 delicious traditional pudding (dessert) recipes. Learn how to make Proper English custard from scratch, good old English Sherry Trifle and the world famous, Spotted Dick. Read about some of the interesting origins of some of the recipes, like the accident that led to Bakewell Pudding. Traditional British Scone Recipes. The Great British Scone; once tasted, never forgotten. Plain, unadorned and simple, scones are a quintessential part of the British way of life. If the only scone you have ever tasted was bought in a cafe or bakery, then you are in for a treat when you taste the real thing. Home baked perfection. Traditional British Biscuit Recipes. Another great British tradition. Put the kettle on, brew a pot of tea and settle down with a good plate of bickies. Now that I live in America I've had to get used to calling them cookies. Biscuits here look more like English scones. Delicious, but you can't dunk them in your tea or coffee like you can real biscuits. Get your copy of Traditional British Jubilee Recipes TODAY! Clickable Table of Contents. Conversion Charts included. PLUS: BONUS RECIPE FOR CRUMPETS! Total of 78 Recipes: Victoria Sandwich Sponge
