Theres more to it than just recipes, theres golden, in-the-family instructions and priceless advice passed down to us and noted in this book carefully for you. Use fresh ingredients and follow the recipe completely the first time you make it. Dont rush. Experiment the second time. Simple, yet we tend to forget them. Our mothers knew, we needed these instructions. They somehow always know, dont they? Sip a glass of wine and enjoy cooking for your family while everybody gathers around the kitchen to chat and play like we did when we were kids. The reason our grandmas spent all day making food was because they got to spend the day with the entire family! And the reason we loved the food, was: It was made with love thats the Secret. So Go Ahead, BUY THIS BOOK. Youll be in the kitchen with friends. Enjoy the Pizza, Hot Wings, Grilled Crab and yes, the Love.. (Hint: Several Bonus Recipes included!)
