

Spotted Cats (Brady Coyne Mysteries)

When an aging big-game hunter is robbed, Brady goes on a leopard hunt. Six years after the leopard attack that ended his career as a professional hunter, Jeff Newton is broken, crippled, and ready to die. His only pleasure is the occasional visit from Brady Coyne, Jeff's no-nonsense Boston lawyer who comes to Cape Cod to pay his respects to the old man. As always, Brady is entranced by the ex-hunter's houseful of trophies, none more dazzling than the seven Mexican leopard figurines. Solid-gold statues with jewels for eyes, they are priceless, beautiful - and about to be stolen. The thieves club Jeff, cut Brady, and escape with the golden cats, leaving the two men for dead. Jeff ends up in a coma, and Brady sets out to retrieve the trophies. If the old hunter ever wakes up, Brady wants the leopards to be there to greet him.
