

Embedded (Angry Robot)

HED DO ANYTHING TO GET A STORY. When journalist Lex Falk gets himself chipped into the brain of a combat soldier, he thinks he has the ultimate scoop - a report from the forbidden front line of a distant planetary war, live to the living rooms of Earth. When the soldier is killed, however, Lex has to take over the body and somehow get himself back to safety once more... broadcasting all the way. Heart-stopping combat science fiction from the million-selling Warhammer 40,000 author. File Under: Science Fiction [Future Warfare Chipped-In Anything For a Story Get Out Alive!]
