

The Changelings (Matthews Prophecy Book 1)

For as long as she can remember, 21-year old Sylvie has embraced her role as the priests daughter, content to marry her fiancé and lead a quiet, normal life. But between droughts, food shortages, and the slow invasion of her desert homeland, even those modest dreams seem out of reach. Then one sweltering summer day, her best friend Matthew reveals a devastating secret. Sylvie is a Changeling: a fantastical creature given human form and switched with the priest's real daughter 17 years ago. And she's not the only one. Four other Changelings remain hidden in the desert, including Matthew himself. Once a child prophet, Matthew foretold a world-wide catastrophe that only the Changelings can prevent. But when an unexpected cost brings heartache to Sylvie, she begins to wonder: Should she follow the prophecy's instructions like the obedient girl she thought she was? Or does being a Changeling mean a different side of her is about to come out? First-time author Rebecca Lang takes us into a war-torn world steeped in political intrigue, shifting alliances, and breath-taking civilizations in the first volume of Matthews Prophecy, an exciting new fantasy saga.
