

## Stan Lees Alexa Volume 1 (Alexa)

The first volume in an all-new graphic novel series created by the legendary Stan Lee. Alexa Moran is the popular artist of The Vixens, the hit series published by The Fantasy Factory, Americas premiere comic book company. But deadlines and adoring fans are soon forgotten when New York city is visited by two 20-foot tall giants, wearing the kind of costumes Alexa would never have expected to see outside of the pages of her own comics. It also turns out that she unconsciously opened the dimensional portal that brought them to Earth. And these giants have great plans for her before she outlives her usefulness...
