

I Used 2 Love Him

Tammi married Meek for better or for worse, and when he gets incarcerated, she is determined to hold her man down. But she didnt realize that she would be in for a lot of lonely nights, and the overwhelming demands that come with being a single mother. Though Tammi can have any man she wants, she often finds herself in the presence of the one person that Meek trusts with his family, the one person she could never have, or could she? Draya is a correctional officer that wants some excitement in her life. She has her eye on Meek and welcomes what he can do for her financially. She soon discovers that dealing with Meek will lead her down an unforgettable road filled with deception, drug abuse, scandal, and betrayal.
