

Broken Stories (Broken World)

Broken Stories is a compilation of Short Stories and Novelettes that accompanies the Broken World Series. From California to Oklahoma, South Carolina and Colorado, readers will get a glimpse at what other people went through before, during and after the zombie virus outbreak.

Some of the characters featured in these stories have close ties to the main characters in the Broken World series, while others are brand new. Its an emotional, intense and exciting look at how the zombie apocalypse has changed the world.
