From the future, a final plea. Out of the past, a last hope. A young girl, born to die in freakish disregard. A doomed world, enslaved to forces unseen. A final hope beyond imagining. Become a Reader, because in the end, the most unbelievable step in the adventure -will be your own. Unique and altogether profound, reminiscent of Bradbury, haunting, thought-provoking and surprisingly philosophical-San Francisco Book Reviews A gripping science-fiction epic that will propel readers toward wonder-ForeWord Reviews An original take on various sci-fi motifs that meditates on themes of love and humanity. Stebbins does an exceptional job. A richly detailed, compelling story about the power of love.-Kirkus Reviews
