

A Matter for a Future Year: A Seeders Universe Story

A single Seeder scout ship trapped on the edge of a distant, uncharted galaxy. Chairman Peter German holds the fate of the three thousand people on the Pale Light. Main drives mysteriously not working, the ship hobbles along at sub-light speed with not enough supplies to reach the nearest Earth-like planet. The Chairman faces a hard, hard choice. He must find the solution. Galaxy spanning ships, billions of civilizations, the Seeders Universe stories and novels cover it all. But A Matter for a Future Year brings it all down to a single human choice. And the price paid by those who risk to explore outward.
