

## A Million Dollar Love 3 (Volume 3)

Secrets, shame, and mental instability resulting from an abusive past with Sidney made Storm lock herself away inside her head where the ramifications of Sidney's abuse live and speak to her daily. She would never risk anyone finding out she's a highly-functioning nutcase, even her mother. But after meeting Devon, Storm's life becomes an uphill battle with old and new stalkers wielding guns, promising her death. They'll become the ultimate test to her determination for survival, protecting her family, and keeping her secrets away from the second man that has the power to destroy her from the inside out.
