

Taking Sides: Clashing Views on Controversial Issues in Abnormal Psychology (Taking Sides: Abnormal Psychology)

This third edition of Taking Sides: Abnormal Psychology is a debate style reader designed to introduce students to controversies in abnormal psychology. The readings, representing the arguments of leading psychologists and researchers, reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework. This new title will be a beneficial tool to encourage critical thinking on important issues concerning abnormal psychology.
