

Radioactive Omnibus- A Prepper Survival Story

Southern California is home to sand, surf, and fun in the sun. Jim Farr, a former Naval Intelligence Officer, owns a maritime mechanics company and works as a contractor for the San Diego Naval Base. Its a normal day on the job until explosions go off. With the Naval Base destroyed, and word of attacks happening around the country, Jim has to get to his sister in Phoenix But thats just the beginning. Follow Jim along in this three-part action packed series and find out just what happens when the bombs go off.
