

Shine: An Anthology of Near-Future Optimistic Science Fiction

A collection of near-future, optimistic SF stories where some of the genres brightest stars and most exciting new talents portray the possible roads to a better tomorrow. Featuring original stories by Alastair Reynolds, Kay Kenyon, Lavie Tidhar, Jason Andrew Madeline Ashby, Jacques Barcia, Eva Maria Chapman, Ken Edgett, Silvia Moreno-Garcia, Eric Gregory, Mari Ness, Holly Phillips, Gareth L. Powell & Alette de Bodard, Gord Sellar, Paula R. Stiles and Jason Stoddard, Definitely not a plethora of Pollyannas (but neither a barrage of dystopias), SHINE will show that positive change is far from being a foregone conclusion, but needs to be hard fought, innovative, robust and imaginative. Lets make our tomorrows SHINE.
