

## Anarch Guide: A Supplement Guide for Laws of the Night (Minds Eye Theatre)

They have Traditions, blood bonds, scourges, and influence at every level of society. They have Vaulderie, packs, templars and the loyalty of thousands. They have it all, and for centuries they've used it to keep individual vampires from ever tasting true freedom. But cracks have formed in the great facade. Wolves wait at the door. No longer can the elders of either sect abuse those beneath them at will. The time for revolution is at hand! The Anarch Guide reveals the inner workings of vampire society - as well as how to tear it apart. Here are all the new Traits and reference materials you need to play anarch characters of any clan and sect, from the ranting iconoclasts rioting in the streets to subtle manipulators working within the system. Read on, and learn how to shake the foundation of vampire society!
