

Ancient Kingdoms Mesopotamia (Sword Sorcery)

A city of unspeakable antiquity, buried for centuries beneath the desert sands, has been rediscovered deep in the accursed desert known as the Red Waste. Dare you enter The City That Worshipped a Thousand Gods, seeking the treasures and relics of its Hierophants? Beware the lurking terrors of a bygone age! Ancient Kingdoms: Mesopotamia is a huge sourcebook with numerous new classes, deities, monsters and magic items, including a series of short adventures. Explore ancient ruins, temples and dungeons of the lost city of Ibnath, and the perilous wilderness areas that surround it. The Ziggurat of the Ghoulish Queen awaits! New spells, new classes and new environmental challenges! Vast regions to explore and epic quests to complete. Destroy the Cult of the Pit Worm Yath! The definitive d20 sourcebook for Mesopotamia, the land of the Elamites, Assyrians and Akkadians. Expanded desert rules and source material make this a unique offering for your gaming table. 10 related short adventures make this a single source for adventure in the lands of Babylon and Ur. Dozens of new monsters, spells, magic items and character classes, all found nowhere else.
