

Angel City (Angel Series Book 5)

London in the early 1990s; supposedly the New Age caring 90s. But the streets, it turns out, are not paved with gold, but covered with the homeless living in sleeping-bags and cardboard boxes, and often littered with a far more dangerous form of flotsam. For Angel, the city divides into several layers of underworlds and sub-cultures: callous crime and corruption, the growing drug culture, the seedier side of the gay scene, the young and homeless. There is also a more literal underworld where the role-playing game of Dungeons and Dragons can shift from fantasy to real violence at the flick of a wizards wand. But most serious of all is that Angel is down on his luck and flat broke. The situation is critical. So critical, he might even have to get a job — enough successful one-liners to keep a television comic going until retirement. Not many crime novels cause one to laugh aloud. This is one of them. - T J Binyon, *Daily Telegraph* — the usual excellent wisecracking [as Angel] takes his and societys revenge for two different, linked crimes in a sad, bad world with great guile. - John Coleman, *Sunday Times* — Hugely funny, with a catch in the laughter; politicians should steer clear of the talented Mr Ripley as he cuts through the fluff of the Caring Society. - Christopher Wordsworth, *The Observer* — Angel City, featuring the reprobate ultra-streetwise specialist in smart one-liners Fitzroy Maclean — Angel, is a lot more sombre than its predecessors. That is not to say it lacks the exuberant, laugh-aloud fun and inventiveness of the others; but there is in addition an edge and an anger that were not there before — and an authentic feel for the sub-currents of the underworld. - Marcel Berlins, *The Times* — A welcome return for a writer who is really funny. - Allan Laing, *Glasgow Herald* — Angel, the bad boy who always comes good. - Susanna Yager, *Sunday Telegraph* — The speed and exuberance of one-liners make it

irresistible. - Matthew Coady, Guardian
Comic crime writing isnt easy, but Ripleys
Angel novels are as witty as they are deftly
plotted. Ripleys latest is as boisterous and
inventive as ever. - Philip Kerr, Time Out
An abundance of comedy keeps this novel
spiritedly off the rails. - Patricia Craig,
Times Literary Supplement Another of
Telos Publishings reissues of celebrated
British author Mike Ripleys series of comic
crime novels featuring Fitzroy Maclean
Angel.
