Gardening Box Set #1 Aquaponics & Hydroponics Today only, get this Amazon bestseller for just \$3.99. Regularly priced at \$6.99. Read on your PC, Mac, smart phone, tablet or Kindle device. This amazing gardening box set consists of two different gardening books! The first book: Aquaponics For Everyone will teach you everything you need to know about the amazing gardening style of aquaponics! This technique involves growing plants alongside with fish, in a completely independent eco-system! At the completion of this book you will be able to begin your own Aquaponic garden from home! The second book: Hydroponics at Home will explain to you the hydroponic style of gardening, where plants are grown completely in water, without any soil or medium. This gardening style is similar to aquaponics, and has been shown to produce above-average yields, with lower amounts of pests and plant disease! Purchase your copy today to get these two great gardening books at a heavily discounted box set price! Here Is A Preview Of What Youll Learn...
