

ARES Field Resource Manual

This manual is intended to serve as a quick trainer and field resource guide for the emergency communicator. It is a reference for amateurs deployed in the field for emergency services work, primarily through the Amateur Radio Emergency Service (ARES). It provides basic program information, forms, operating aids and templates to be customized for the local area to include reference information such as important phone numbers, emergency frequencies, maps, organizational details and more. About ARRL: Founded in 1914 by Hiram Percy Maxim, ARRL (American Radio Relay League) is the national association for Amateur Radio in the US. Today, with more than 161,000 members, ARRL is the largest organization of radio amateurs in the world. ARRL's mission is based on five pillars: Public Service, Advocacy, Education, Technology, and Membership.
