

Bad Moon Rising (A Pine Deep Novel)

Maberry will scare the hell out of you. Tess Gerritsen The final novel in the award-winning Pine Deep saga ... In the Pennsylvania town of Pine Deep, a handful of brave souls prepare for an unspeakable evil that has been gathering strength for thirty years. On Halloween night, the legend that has haunted their community will return with a vengeance. The dead will rise, the damned will take human form, and a red wave of terror will consume every man, woman, and child. For the few left standing, time is running out. Daylight is fading, and the ultimate battle between good and evil is about to begin ... Horror on a grand scale, reminiscent of Stephen King. Publishers Weekly Jonathan Maberrys horror is rich and visceral. Its close to the heart ... and close to the jugular. Kevin J. Anderson Maberrys works will be read for many, many years to come. Ray Bradbury Unique and masterful. Richard Matheson
