

## Baltic Garten, April: Parfum (German Edition)

Veilchen hat einen Duft, der - zumindest für mich - ist süß und erfrischend angenehm. Und weil Baltic Garten in diesem Jahr mit Veilchen (vielleicht durch den langen Winter und späten Frühling provoziert) geladen wird, gibt es allen Grund ihren Duft zu behalten. Kurz gesagt, geht es um die Herstellung von Parfum. Selbstgemacht und basiert auf Wodka. \_\_\_\_\_CONTENT; Mit einem Monat Verspätung: Narzisse, Christrose, Blaue Anemone, Gelbe Anemone - Eranthis, Scharbockskraut, Schlüsselblume, Kaiserkrone, Forsythia. Herstellung von Parfum: Veilchen. Follow-up: Effiziente Entfernung von Zecken, Betonieren des Bodens, Kampf gegen Japanische Stauden, Knoten, Eiche, Ginkgo, Biloba. Quelle Referenzen
