

Belisarius III: The Flames of Sunset (Belisarius Saga combo volumes Book 3)

Concluding the popular Belisarius saga, with two full-length novels in one volume: *The Tide of Victory*: The creators of the monster called Link once were human, but that was distant ages in their past. Now, from the far future, they have sent their creation back to rule the Malwa Empire, then to conquer and shape the world of the sixth century A.D. into the form that will make their own foul existence possible. Those in the future who never were human have sent their own messenger to the past: Aide, a gleaming jewel who has come to Belisarius, the greatest general of the sixth century and perhaps any century. Between them they have forged an alliance of all the world against the evil from the far future and an army that can be the spear through evil's heart. *The Dance of Time*: The Malwa and their evil have been driven back to their Indian heartland, but there they coil to strike again. Ruled by a monster from the future that is part computer and part demon, they prepare a fresh attack whose success will leave them rulers of the world and the monster that guides the Malwa will rule the whole future. Guided by Aide, Belisarius has arrayed the forces of Mankind against the Malwa evil. There is no hope for Mankind if he fails, so he must not fail! The triumphant conclusion of the Belisarius saga. At the publishers request, this title is sold without DRM (Digital Rights Management). Eric Flint is the co-author of three New York Times best sellers in his Ring of Fire alternate history series. His first novel for Baen, *Mother of Demons*, was picked by *Science Fiction Chronicle* as a best novel of the year. His *1632*, which launched the Ring of Fire series, won widespread critical praise, as from *Publishers Weekly*, which called him an SF author of particular note, one who can entertain and edify in equal, and major, measure. A longtime labor union activist with a masters degree in history, he

currently resides in northwest Indiana with his wife Lucille. David Drake is one of the grand masters of military science fiction, known for his best-selling Hammers Slammers series and many other novels. A Vietnam veteran, he employs his first-hand experience with the military life and combat to give his work the vivid images and feel of battle that have won him a huge readership. He was attending Duke University Law School when he was drafted. Upon his return from the U.S. Army, he completed his law degree at Duke and was for eight years Assistant Town Attorney for Chapel Hill, North Carolina. A full-time writer since 1981, his other books for Baen include the RCN-Leary series, the latest being In the Stormy Red Sky, and the Belisarius series, written in collaboration with Eric Flint, the fourth and fifth novels of which are now combined in this volume.
