

The Bears Picnic (Beginner Books(R))

The quest for picnic perfection will delight readers in this classic Beginner Book edited by Dr. Seuss. When the Berenstain Bears set out to find the perfect spot for a picnic, Father Bear says he knows just the place. But each ideal location turns out to be a complete disaster, with a train roaring past or hordes of mosquitoes. At last they find a place with no pesky crowds or noisy planes, and nary a mosquito...until it starts to rain. With *The Bears Picnic*, literary legends Stan and Jan Berenstain provide a red-and-white-checked tablecloth to enhance a giggle-filled escape. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning. From the Hardcover edition.
