

Empire of War - An Epic Fantasy (The Empire of War Trilogy Book 1)

IN A TIME FORGOTTEN BY HISTORY, WAR HAS COME...The most devastating war in the history of the Kingdom of Oryt has ended. Fought between the King and Queen Kandarian, the queen lays defeated and near death on a battlefield of corpses. A single mysterious warrior survives and spirits her away to a distant island where it is rumored the last of the mages survive. A PRINCE WITH A PENCHANT FOR BLOOD...Prince Kandarian, the sole surviving son of the royal house, an unusual mind since childhood, has deteriorated mentally to the point of madness. His indulgence for the blood of the young and beautiful knows no bounds, and has wrought devastation to families across the kingdom. Aysta, a deadly assassin with the Guild of Shades, rises every morning with the death of Kandarian on her lips. Her mother and sister brutally raped and killed, she will stop at nothing to end the life of the man that haunts her dreams. AN ENEMY UNLIKE ANY BEFORE...The rumors of the last mage prove true and an army of deadly orcs rises with an arcane and unknown general at its head. The orc army marches on Oryt as an even deadlier enemy surfaces: the queen is rumored to be alive and seeking to turn the world to ashes. Prince Kandarian must lead the armies to war but is hunted by more than just Aysta. The pain and death he has left in his wake is slowly returning to him. And it is not clear if he or the orcs are the greater threat to the realm...A tale of war, death, and betrayal, Empire of War is the thrilling first book in the Empire of War Trilogy by Kindle Top 100 bestselling author Victor Methos.
