

## Fall of Icarus (Brink of Distinction) (Volume 2)

The Terran Empire has broken the Taisa Accord and invaded Alliance space in this exciting second novel in the Brink of Distinction series. Survivors of the Empires first assault, Yen Xiao and Adam Decker swore vengeance against the Terrans. Joining forces with the enigmatic Keryn Riddell, the three warriors must find a way to destroy the Terran fleet. But the Terrans have a secret weapon: a biological agent sold to them by a renegade smuggler. Now its a race against the clock to capture the smuggler before the Terrans decimate the Alliance homeworlds. When everything they do proves to be not enough to stop the Empires violent invasion, the Alliance takes the fight directly to the Empire by invading Earth! But Earth may not be the biggest threat to the safety of the Alliance. The biggest danger may be one of their own.
