

Bigfoot: The West Virginia Foothold

In this book, the author, George Dudding discusses the presence of Bigfoot in West Virginia through the tales of plain country folks and how they involuntarily stumbled into their very own Bigfoot experience. Read about how non-believers became converted into believers as they luckily escaped harm during their retreat from his presence. Read the foreword by Danny Harper, Bigfoot enthusiast, and then decide for yourself as to whether it is real, folklore or hoax. Includes afterword by Liz LaMac.
