

Blind Pursuit

From New York Times and USA Today bestseller Michael Prescott, author FINAL SINS and COLD AROUND THE HEART, comes this dizzying thrill ride of nonstop terror and suspense. In the dead of night, psychologist Erin Reilly is abducted from her Tucson home. Her kidnapper -- a serial killer who burns his victims alive. Tormented by his obsession, he wants Erin to cure him before he kills again. If she fails, she'll become his next victim. While Erin's twin sister Annie searches desperately for her, Erin delves into her captor's psyche and his past, discovering a secret guilt ... a complex web of crime and betrayal ... and an unexpected connection between the killer and herself. Suspense, sex, treachery, terror ... Thrilling! - Mystery Scene
