

Blood and Bone The Novel

BLOOD AND BONE was the exciting hit action, martial arts film starring Michael Jai White, Eamonn Walker, Julian Sands, Nona Gaye and Dante Basco and many of the worlds most famous mixed martial arts masters. This is the action packed novel of Isaiah Bone's first adventure. BLOOD AND BONE opens with a gritty no-holds-barred prison fight with Isaiah Bone, proving he is the baddest man behind bars. Months later Bone arrives in Los Angeles where he finds a place to live with the strict but attractive Tamara Dean, the widow of a fallen police officer and foster parent to three young children from the streets. Bone soon meets up with Pinball, a small-time street-fight promoter who has never had a winning fighter until he teams with Bone. Bone begins fighting for money, and with Pinball as his promoter, devastates his opponents as he builds his reputation and moves up to bigger paydays. Yet the real reason why Bone is fighting is not yet revealed. Soon Bone meets James, a vicious and deadly underground fight promoter who quickly recognizes that Bone could be his ticket to the big time. But what no one knows, least of all James, is that Bone is on a private mission of his own and will not be denied. Bone and James face off in a deadly confrontation that will put Bone and all of his friends in danger and which is certain to lead to an explosive and violent climax.
