The Last Sunset (Preppers Fiction) 2-in-1 Boxed Set The year is 2040 and the human race may be doomed when a massive meteor called The Dark Star is headed directly towards the planet. The wealthy and important people need not worry because they have all been given the opportunity to travel to the lunar base via space shuttles before the meteor is scheduled to hit. Can Darius Downey survive on the earth long enough to see his wife and child again? Kristina has just given birth to Skylar on the lunar base and she is longing to return to earth to see her husband again. Could it be that the Dark Star was not a natural disaster at all, but a government plan to reduce the earths population? Will the inhabitants of the lunar base ever return to earth? Will Darius survive long enough to ever see his wife and child again? Download: The Last Sunset (Preppers Fiction): 2-in-1 Boxed Set RIGHT NOW!
