

The Hollow: A Kansas Fairytale

I got so caught up in the adventure I couldn't put it down! Jeannie Kygar Eblen, Lawrence, Ks; retired newspaper writer. This book is AWESOME!! Ethan M., 9 yrs, Wichita, Ks. From Jillian H., 9 yrs; Lufkin, Tx.... I really, REALLY liked this book but it's too scary to read at night! THE HOLLOW Where are the children? The small town of Sedan holds a secret in its idyllic midst. Are local legends true? Is the Hollow a hunting ground for nocturnal beasts? Seven children have disappeared in the years between 1882 and 1974. Now, a sudden storm has forced four young cousins into the Hollow's forbidding cave. With ancient petroglyphs leading them into the mysterious depths, will the inadvertent adventurers' discovery of a fabled time portal lead to freedom or doom? Where are the children and can the power of love transcend time to bring them safely home? The Kansas winds are rising.
