

The Dragons Wrath: A Virtual Dream

*Volume 3 is now out!*When Brent Roth suffered a workplace accident that rendered him temporarily immobile, he found himself lying in bed dreaming of a better life. He dreamed of a life where maintaining his health was no longer a daily struggle and then when he had lost all hope, he had discovered a new virtual reality game on the horizon. A VR-MMORPG that offered him everything he lacked in real life, everything that had eluded him. A world where he could find adventure, companionship, and success all wrapped up in the singular package of The Dragons Wrath. The game offered him a chance, a chance for salvation... a glimmer of hope. It was better than a dream, it was a virtual dream.
