

The Audubon Park Murder (A Sleepy Carter Mystery Book 1)

A beautiful college student is killed in Audubon Park - just a few feet away from St. Charles Avenue in New Orleans. There were no witnesses. The case is handed to newly minted detective, Elizabeth Silverman. It isn't long before Elizabeth realizes there are multiple people who had an incentive to murder the young woman. Elizabeth is in over her head on this one, but she has a secret weapon - legendary detective Donald Sleepy Carter. But, there is one catch, everyone at the New Orleans Police Department believes Sleepy Carter is dead - and that's exactly the way Elizabeth and Sleepy like it.
