

## Brooklyn Brew Shops Beer Making Book: 52 Seasonal Recipes for Small Batches

Brooklyn Brew Shops Beer Making Book takes brewing out of the basement and into the kitchen. Erica Shea and Stephen Valand show that with a little space, a few tools, and the same ingredients breweries use, you too can make delicious craft beer right on your stovetop. Greenmarket-inspired and seasonally brewed, these 52 recipes include Everyday IPA and Rose Cheeked & Blonde for spring; Grapefruit Honey Ale and SMore Beer for summer; Apple Crisp Ale and Peanut Butter Porter for fall; Chestnut Brown ale and Gingerbread Ale for winter; and even four gluten-free brews. You'll also find tips for growing hops, suggestions for food pairings, and recipes for cooking with beer. Brooklyn Brew Shops Beer Making Book offers a new approach to artisanal brewing and is a must-own for beer lovers, seasonally minded cooks, and anyone who gets a kick out of saying I made this! From the Trade Paperback edition.
