

Bumper Book of Dinosaurs

Dinosaurs are back. Say hello to the Giganotosaurus, the Velociraptor, and Tyrannosaurus rex. Ready yourself for the deadly horns of the Zuniceratops and the razor sharp tail of the Tuojiangosaurus. But above all, be sure to expect the unexpected. Armed with a host of stunning recent discoveries, Keiron Pim re-introduces us to these mind-boggling creatures in mesmerizing detail. As we live through a golden age of discovery, the rise and fall of the dinosaur is once again staking its claim as Nature's most spectacular phenomenon. For decades, these weird and wonderful creatures have roamed the imaginations of adults and children alike; now they are brought to life before our very eyes. If you think you know the world of Dinosaurs, then think again, for it grows stranger and more fascinating all the time. Filled with fun facts and gory details, with ancient history and modern discovery, and with stunning design and illustrated throughout, this book is sure to delight readers of all ages.
