

Ditto Ditto: Cape High Book Nine (Cape High Series 9)

Whats wrong with her? Jack asks. Yep, I was right. The entire school followed him here. I dont know, Trent admits, picking me up, but I dont think we should do this in the girls bathroom. Cmon, lets go outside. Some sunshine will cheer you up, right? he asks me. I would reply, but Im too busy trying to sniffle up my snot. Yes, its that gross. And Im showing it to my seriously good looking, perfect boyfriend. I will never live this down. Trent sits down on the steps, cuddling me. Is this about Skystep? he asks quietly. I jerk, so shocked that the tears stop. I stare at him for a long moment before looking down. I cant come up with anything. Ditto disappeared in the middle of Roccas story, so we were pretty sure something was going on--then we heard you yelling, he says. Youve been looking pale since someone said Skysteps name, dont lie. Ye--yeah, I say, still looking at my lap. What happened with Skystep, Em? he asks, patting my hair. She... she killed my parents.
