

# Characteristics of Emotional and Behavioral Disorders of Children and Youth (7th Edition)

For the introductory, characteristics course in Behavior Disorders. This market-leading text provides a comprehensive, up-to-date, research-based introduction to emotional and behavioral disorders. It describes all major types of disorders across the age range of preschooler through adolescent and is organized around five basic concepts: the nature of disorders and the conceptual approaches to them; assessment; major causal factors; facets of disordered emotion and behavior; and a personal statement about teaching students with these disorders. It effectively links research in child development, psychology, and special education directly to the work of the classroom teacher.
