

## Childrens Books: Reaching New Heights. Boost your childs self- esteem with an inspiring childrens book (Emma and Everything: Beginner Readers/ Read Along Childrens Books Collection 2)

Reaching New Heights: Boost your childs self- esteem with an inspiring childrens book. Emma loves to take ballet lessons. She loves her teacher, Madame Olivia. She loves dancing along with the piano music, and she loves seeing her friends, Emily, Madison, and Ryan. But when Madame Olivia announces that the children will be performing for the entire town, Emma is very unhappy and insecure. She doesnt feel as talented as her friends. Join Emma in the second book of the childrens book series Emma and Everything on her journey of discovery. As she recognizes her strengths and talents, she realizes that she is special, talented, and absolutely wonderful in her own way. The message in Reaching New Heights is so uplifting--a beautiful, lively book. Every teacher should have this book in his/her classroom and every parent should read it to the little ones in their family. Wonderful job by Ms Alony! Highly recommended! --Author Joyce L. Mitchel The illustrations are so colorful and beautiful. The story is very charming and sends out a positive message to young readers. --Lisa Maliga What a delightful story for the kids. This one kept my kids engaged. Nice!-- Caterina L. Maria Alony creates high-quality, illustrated childrens books that are not only fun and entertaining, but also contain an educational message and important values. As a mom herself, Maria reads picture books every night so that bedtime stories become part of her childs routine. She believes that reading childrens books every day, for kids ages 4-8, is essential for developing language, fostering imagination, and promoting self-expression. Read this inspiring childrens book to your kids to motivate and encourage them to discover their uniqueness and boost their self-confidence. Scroll back up and grab your copy now! This fully-illustrated picture book is a great read aloud for

preschool children and is highly recommended as a selfread book for beginner readers as well.
