

## Me and My Hittas

When BOOBY LOCOS uncle, GANGSTA, goes to prison for murder, it leaves him the head of his empire. With a brilliant marketing plan and a plug on the sweetest cocaine that money can buy, the trap god rises to prominence and strengthens his stranglehold on the drug game. There's only one problem though, ever since he has solidified his dominance in the streets, a hustler named NIGHTMARE has been feeling it in his pockets. Figuring that the only way for him to regain his status of Top Dawg is to eradicate his competition, he and his league of certified head bustas prepare to go to war with Booby and his organization. Bullets will fly and bodies will fall, but in the end only one man will be left standing. Find out who it will be in this heart pounding, drama filled, action packed tale, ME AND MY HITTAS.
