

## Sacrifice (The State Book 2)

Now on the run, Kara continues her attempts to bring Matt around to the truth while trying to reconnect with the resistance. Matt's injuries and the presence of Adam, a fellow resistance soldier, only make her efforts more difficult. Orem returns to the resistance headquarters to see the devastation of an Academic attack. He must make a decision that can end the conflict permanently, but at great cost. Kara and Orem face insurmountable odds as they each attempt to defeat the state in separate missions. Will the state triumph over a broken resistance, or can Kara and Orem keep their resistance movement from crumbling against a superior military might?
