

Connect Access Card for Children

Connecting research and results. As a master teacher, John Santrock connects students to current research and real-world application, helping students see how developmental psychology plays a role in their own lives and future careers. Through an integrated, personalized digital learning program, students gain the insight they need to study smarter and improve performance. McGraw-Hill Connect is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: SmartBook - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content. Access to your instructors homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course. Progress dashboards that quickly show how you are performing on your assignments and tips for improvement. The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping. Complete system requirements to use Connect can be found here: <http://www.mheducation.com/highered/platforms/connect/training-support-students.html>
