

Desolator (Stellar Conquest) (Volume 2)

Book 2 of the Stellar Conquest military science fiction series. When an enormous and potent alien ship appears in the colony system of Gliese 370, Earth Fleets Marines must investigate. What they find within will change the course of humanity's future yet again, as they face Desolator. The risks are high and so is the price in blood - and the payoff: new technology far ahead of their own, which may provide the key to fight the alien Meme Empire.
