

Binti: Home

The thrilling sequel to the Nebula- and Hugo-nominated Binti. Its been a year since Binti and Okwu enrolled at Oomza University. A year since Binti was declared a hero for uniting two warring planets. A year since she abandoned her family in the dawn of a new day. And now she must return home to her people, with her friend Okwu by her side, to face her family and face her elders. But Okwu will be the first of his race to set foot on Earth in over a hundred years, and the first ever to come in peace. After generations of conflict can human and Meduse ever learn to truly live in harmony? Praise for Binti: Home Nnedi Okorafor's imagination and worldbuilding are unparalleled, as are the heartfelt emotional struggles she creates. -- Jim C. Hines, author of Blood of Heroes and the Goblin Quest trilogy More Praise for Nnedi Okorafor: Binti is a supreme read about a sexy, edgy Afropolitan in space! Its a wondrous combination of extra-terrestrial adventure and age-old African diplomacy. Unforgettable! - Wanuri Kahiu, award winning Kenyan film director of Pumzi and From a Whisper A perfect dove-tailing of tribal and futuristic, of sentient space ships and ancient cultural traditions, Binti was a beautiful story to read. Little Red Reviewer Binti is a wonderful and memorable coming of age story which, to paraphrase Lord of the Rings, shows that one girl can change the course of the galaxy. Geek Syndicate Binti packs a punch because it is such a rich, complex tale of identity, both personal and cultural and like all of Nnedi Okorafor's works, this one is also highly, highly recommended. Kirkus Reviews There's more vivid imagination in a page of Nnedi Okorafor's work than in whole volumes of ordinary fantasy epics. - Ursula Le Guin Okorafor's impressive inventiveness never flags. - Gary K.
