

## The Billion Dollar Boy

Shelby Cheever is a spoiled brat. He is also the richest kid in the country. Actually, make that the universe. Bored with his all-the-amusements-money-can-buy life, he decides on a bit of interstellar action, Shelby-style. But it turns out life on a starship is not all fun and games. As part of a crew, Shelby has a few things to learn. Such as how to follow orders instead of simply giving orders. Can Shelby learn how to cooperate with his crewmates? \*\*\*

He may not have a choice. When Shelby becomes the target of a hostage-for-ransom scheme, he'll need all the help he can get.
