DESCRIPTION: Sarah Steele needs a vacation from her high-profile job as an ADA, so she goes with her best friend on a trip they've always dreamed of to Rio De Janeiro. The vacation is off to a great start; surfing, swimming, reading, and dancing, but then their little piece of heaven takes a hellish turn. Sarah witnesses The Blondes, a mysterious group of female criminals who specialize in micro-kidnapping, capture a State Representative's wife. It was supposed to be simple, the police say the victims are always released within a few hours. But when the women found dead in a dumpster, Sarah swears The Blondes will receive justice. And she'll be the one to give it. But as things get more twisted than she ever imagined, does she have what it takes to bring them down?
