

Dark Destiny

Masters of horror explore World of Darkness, the setting of the bestselling role-playing game Vampire: The Masquerade and the cult PC RPGs Bloodlines and Redemption. With a new story hinting at the future written by Martin Elricsson, White Wolf Lead Storyteller. Journey with us through the darkest realms of the imagination. Visit the original World of Darkness, a place where vampires, werewolves and mages have secretly shaped the course of human history, society and global politics. This is our world, seen through the eyes of monsters cursed with insatiable appetite, inhuman ideals and the will to remake reality. This volume contains twenty-three tales by masters of horror and dark fantasy. Read of Edgar Allan Poes brush with immortality. Harken back to the time of Odin and learn the true significance the crucifix holds for vampires. Ride with the Prince of Blood on the trail of outlaw werewolves in a post apocalyptic nightmare. Visit an undead suburban couple in Stockholm as their carefully constructed masquerade falls apart. Join Harlan Ellison, Robert Bloch, Nancy A. Collins and twenty other established horror and fantasy authors as they share their passionate personal visions of the original World of Darkness. Original artwork by cult artist John Cobb. A welcome back to the original world of monsters hidden among us.
