UNDERWATER CITY by Chrissy Peebles \*\*\*This is a 15,000 word novella\*\*\* This series does have dark

moments and is intended for mature audiences only. BOOK TRAILER:

<https://www.youtube.com/watch?v=CF9UkY0qiSo> Im a survivor, living in a post-apocalyptic world. I live deep in the

ocean and thats how we all survived the worlds greatest catastrophe known to man.

Id often dreamt of a normal life, but sadly, that wasnt what fate had in store for me.

RAVENOUS by Erica Stevens The world didnt end with a bang, it didnt go out in a ball of fire and fury, nor did it end in ice.

But in some strange way, ice was the end; or maybe it was the beginning of something more. Bethany is stunned and

horrified when she finds herself suddenly alone in a world that was alive only moments before. Terrified, she flees into

the streets of her town, looking for answers, and desperate to reach her family. Panicked, she is nearly captured by the

monsters hunting her until Cade steps in to rescue her. Dark and distant, most people in school are wary of Cade, yet oddly

fascinated by him. They had once been close as children, but it has been years since Bethany has had any real contact with Cade.

As their situation becomes even more perilous, Bethany struggles to come to terms with her past, her terrifying new reality, and her growing love for a boy that

is powerful, mysterious, and perhaps even more frightening than the aliens hunting them. Aliens that want more than their

lives, they also want their blood. Book 1 The Ravening Series Young Adult. This book contains some language, violence, and sexual situations.

Recommended for ages fifteen and up. ZOMBIE GAMES (ORIGINS) by Kristen Middleton Seventeen-year-old Cassandra Wild

thought that living in the chaos of her mothers home daycare and dealing with new feelings for Bryce, her martial arts instructor, was a struggle until her world turned upside down. When an untested vaccine kills more than just a rampant flu virus, Cassie learns how to survive in a world where the dead walk and the living... run! This YA story is a lighthearted adventure filled with zombies, butt-kicking teenaged girls, a man obsessed with video games, an annoying but totally HOT karate instructor, and humor when needed. \*This is a young adult fictional story that includes some language, violence, and adult situations. Recommended for mature teens or older.

THE ZOMBIE CHRONICLES by Chrissy Peebles The Zombie Chronicles Book Trailer: <http://youtu.be/ociUHl1g70> Warning: Mild violence. For mature teens or older.

Val was bitten by a zombie and now shes scheduled for lethal injection. Breaking all the rules, eighteen year old, Dean Walters snags an experimental serum. When their helicopter crashes straight into the heart of Zombie Land, his rescue mission becomes a fight for survivaland giving up on Val is NOT an option. THE SURVIVOR CHRONICLES by Erica Stevens

\*\*\*Note\*\*\* This book is the first compilation of an ongoing serial story, due to this fact it does not have a conclusion. This book is not a survivalist story. Though they are not in this book, the following books in this series do contain almost zombie like people. The First tremors of the earth were felt at 7:22 EST. time. Every single person felt the rumbling, and experienced the tremors that would forever alter the course of history. Most did not survive. These are the accounts of some of those that did. \*\*\*Due to language and graphic content this book is recommended for readers 17 and older.
