

Dead Days: Season Seven (Dead Days Zombie Apocalypse Series Book 7)

THE SEVENTH SEASON OF THE GRIPPING POST APOCALYPTIC SERIES Back in October 2013, a chaotic infection spread across the globe, turning the majority of the population into bloodthirsty zombies. The weak fell. Many of the strong fell, too. But some fought. They did things they weren't proud of. They made gut-wrenching decisions and faced up to dark realities in order to live. Dead Days is the story of a group of those survivors. Season Seven picks up several months after the momentous conclusion of Season Six. Our survivors are living very different lives. Riley has isolated himself from the wider world. Cody is struggling to adapt to life within Maryam's group, still reeling from her revelation at the end of the last book. But a figure from Riley's past makes a dramatic return, offering hope for the future. A mysterious person reaches Cody's group with news of an extraction point, promising a way out of Britain and an escape from the clutches of the infection for good. Both Riley and Cody are forced on a dangerous journey of survival across a terrifying landscape, risking everything they care about in the name of hope. The stakes are sky-high. The post-apocalyptic threats are more menacing than ever before. Will all our survivors make it out alive? In the Dead Days, no-one is safe. With fast-paced zombie action and claustrophobic intensity, Dead Days is a truly unmissable serial adventure. Scroll up and buy the complete season seven now. You'll be hooked on every twist and turn, right through to the mind-blowing final scene...
