

Death at the Blue Elephant

Death at the Blue Elephant is the first story collection by the respected and multiple award winning Australian writer and editor Janeen Webb. he is a recipient of the World Fantasy Award, the Peter MacNamara SF Achievement Award, the Australian Aurealis Award, and is a three-time winner of the Ditmar Award. In her introduction to this book, Pamela Sargent describes these stories as evoking a combination of suspenseful anticipation, nervous apprehension, and total absorption in something far removed from my own experience. Death at the Blue Elephant collects 18 incredible globe-spanning visions by the self-confessed inveterate traveller. Five stories are original to this collection.
